

# Merrill Shindler

Saturday 5pm-7pm

**M**errill Shindler is the acerbic, funny, eccentric, internationally known Restaurant Critic for the Zagat Survey. When it comes to putting things in your mouth... Merrill is the authority! In fact, Merrill has written and spoken about his oral fixations most of his adult life and throughout his illustrious career. From his early days as Restaurant Critic for the San Francisco Bay Guardian, Merrill has written for San Francisco Magazine, the Los Angeles Herald Examiner, New York Times, Los Angeles Magazine, Travel & Leisure, Diversion, Food Arts, Food & Wine and Bon Appetit. But that's not all! Merrill has also authored a growing collection of books including American Dish (a volume that takes Jell-O and Frito Pie very seriously), El Cholo: A History, The Best Restaurants of Los Angeles Under \$10 and The Herald Examiner Guide to the Best Restaurants of Los Angeles. Merrill Shindler...you can't help but love him...a big ole hungry boy whose main obsession in life is figuring out where to eat next. Hear him every Saturday from 5 to 7pm only on **97.1 FREE FM.**
